Interim Confirmation of Program Completion - Beatriz Preuss

To Whom It May Concern,

This letter is to confirm that Beatriz Preuss is enrolled in the Software Engineering training program at Masterschool from February 2025 to April 2026, and has successfully completed the following core academic requirements of the program, including:

1. Coursework and technical assessments:

- Tech Foundations and Introduction to Python
- Intermediate Python
- Proficient Python Files and Version Control
- Intro to Web (HTML, CSS, HTTP, and APIs)
- Object-Oriented Programming
- Intro to Back-end with Flask
- Relational Databases with SQL and ORM
- REST API Development
- Full-Stack Application Deployment
- Advanced HTML and CSS
- JavaScript
- Fetch API
- JavaScript ES6
- UX and Wireframing
- React
- Context API
- React Router
- Styling Libraries
- Authentication and Authorization

Beatriz is currently engaged in the **Role-Based Learning Project phase**, which is designed to deepen technical skills through real-world, portfolio-level projects while continuing to receive ongoing mentorship and career coaching.

Afterwards, she will focus on her 320-hour **mandatory internship** to gain practical experience in the industry.

If you require any further information, please contact us at: student.success@masterschool.com.

Sincerely,
Marina Freckmann
